

Dear Florrie.

Greeting? good health peace and
Goodwill. God Allah be with.

At present I cannot explain the
up and downs of the moment
except by the grace of God
Somehow we survive and the struggle
continue. I am very distressed at
how some of the folks at the United
Nations carrying themselves in the
name of leadership. Anyway lets
deal with getting Sophia to University
out here. The International Institute
for Education is at the -
American Cultural Center and they will
also get her visa processed
at the center she has to go to the
Advisement Centre they will give
her a booklet with the
