

Don't ever give up keep on writing stay
in touch, send pictures to him He loves you
very much. When he doesn't do for you it's because
he can't not because he won't, neither is it because
he doesn't wish to.

Have patience with us, we are trying to put things
together. If you are in school stay there,
Don't quit, help will be on the way. for the one
wanting to study medicine Don't give up.....
she should let us know what level of study she's
at, send us some certificates and let's see
what we can get together on this side.

Contrary to popular belief life is not always
easy in these Americas.
